

Academic Achievement

- Academic Achievement is the extent to which a student has achieved their education goals. We evaluate the achievement of a child by academic performance, environmental motivation, physical fitness, innovative ideas & other competitive exam result.
- **Std X**

Year	No of Student Registered	No of Student Passed	Pass Percentage
2015-2016	27	27	100%
2016-2017	31	31	100%
2017-2018	20	20	100%
2018-2019	31	31	100%
2019-2020	36	36	100%

Science Olympiad Foundation :-

Students secured 10 Gold, 2 Silver and 3 Bronze medals in International Maths Olympiads , Medal of Distinction in National cyber Olympiad, Gold medal in International General Knowledge , 6 Gold , 1Silver and 2 Bronze medal in National Science Olympiad Exam .

Environmental Education :-

Children are curious about everything around them and desire to enjoy the pleasure offered by nature in their environment. Environmental education focus on helping the children to know the world around there. It facilitated children to develop awareness that life depends on nature & feel motivated towards environmental conservation. Hundreds of tree plantation was conducted in the school premises cleanliness drive was undertaken where all the staff members cleaned the school premises. Environmental awareness camp regarding pollution free environment was carried out debate & elocution topics like Use of reusable bags, Recycling, Endangered species, Paperless society, Conservation of water & rain forest. Water pollution etc. Student with their innovative minds performed project work Bio-diversity, Save Environment, Rain water harvesting, Solar Energy etc.

Sports:-

Physical activities are important agenda in the school's curriculum. It contributes to physical fitness & mental development in children. It also develops quality of self confidence, sportsmanship, Team spirit which plays a defining role in moldings of personality.

Innovations:-

Innovations have great reproductive values and constructive & creative interest in the child. Innovative activities like creative projects, Teaching Aids, Raman Science visit, Science Exhibition, Art Exhibition, Maths lab activities etc develop the child's creative mind. Our students created creative project in science exhibition by discovering new methods .Our young artists with creative content displays their creativity in various forms of Sculpture , painting, performing art, craft etc.The sense of talent for music is hidden inside every child .Our students prepared a rap on biodiversity and save environment. Students also designed jewelry applying concept of patterns, symmetry & geometry.

Results

The outstanding performance of our students in competitive exams and board exams by securing 100% result has exhibited their hard work & dedication towards their work. The manager, Principal appreciated the hard work of staff & students and congratulated them for their remarkable achievements.
